Refund Policy

Full time courses provide the ability to the student to pay by an upfront deposit and several instalments throughout the course. Our school is proud to offer this unique service to help the students with their finances. However, we regret that once paid, deposits and instalment payments cannot be refunded under any circumstances except in the unlikely event that the course is cancelled by the school.

If short & part time course bookings are cancelled by the student 30 days or more prior to the course start date, then the course fee can be transferred in full to an alternative course date if available or a refund will be made. This is subject to an administrative fee of 10%. No refund will be made for bookings cancelled by the student less than 30 days prior to the start date. However, pending availability we will transfer the course fee to the next available course. An administrative fee of 20% is applicable.

We regret that we cannot provide refunds or a transfer to another date for non-attendance on the day of the course.
